+ TSL.MR30

Technical Data

Material	1.4509 Stainless Steel
Dimensions	W.600mm x H.960mm x D.230mm
Finish	Matte black or white powder coated

Additional Information

Can be used individually or combined for wider installations

Door is supported by gas struts ensuring easy opening for servicing

A shelf incorporated into the cabinet design provides handy storage for spare consumables

The lockable cabinet door protects the dispensers and consumables

Blanking plates are available separately to cover any unused soap/hand dryer or paper towel positions

Easy to install using 2 wall brackets

The base plates of the dispensers sit on the shelf and are fixed into place

For linear installations that cannot be filled by combinations of standard cabinets, bespoke filler units are available separately which are made to order to your exact specifications. For more information, please contact us at info.uk@thesplashlab.com
