

### L-279 Waste Bin

---

---

Lovair L-279 is a 25 litre capacity waste bin, which can either be floor standing or wall-mounted.

Stainless steel versions are made from AISI 304 grade stainless steel in either brushed satin or bright polished finish. White versions are made from painted mild steel.

| Capacity | 25 litres (6.6 US gal)                       |

## Pack Contents

1 x Waste bin

## Pre - Installation Information

The bin is to be fixed to a firm wall. Fixings are not included for fastening the bin to the wall, as each location is different. Lovair recommend that you consult a fixings specialist for advice on the most appropriate fixing method for your project.

# Installation Instructions

---

## Step 1

---

1. Using the fixing guide below, mark the fixing locations on the wall

## Step 2

---

2. Fix screws to the wall (using fixings appropriate to the wall construction), leaving 3-4mm of the screw shank protruding.

## Step 3

---

3. Align the keyhole slots in the back of the bin with the screws, and press the bin down onto the fixings.

# Maintenance

---

A bin liner would be inserted into the waste bin, which can be emptied regularly as part of the washroom cleaning routine.

# Cleaning

---

## Stainless Steel Versions

All grades of stainless steel will stain or discolour if due care and attention is not taken. The surface must be regularly cleaned to ensure a long service life of the bin.

Use a soft cloth or sponge with a mild solution of soapy water as part of the regular washroom janitorial routine. Do not use abrasive or cream cleaners as these will damage the surface finish.

If the bin is subjected to a highly-chlorinated environment eg swimming pools or marine coastal locations, a further treatment, in addition to the regular cleaning as described above, is recommended by the application of a household cleaning product containing silicone.

# Cleaning

---

## White Steel Version

Regular cleaning and inspection is necessary to prevent corrosion and ensure a long service life.

Use a soft cloth or sponge with a mild solution of soapy water as part of the regular washroom janitorial routine. Do not use abrasive or cream cleaners as these will damage the surface finish. If the surface finish becomes scratched or chipped, then the exposed metal should be treated with an appropriate proprietary surface finish to prevent any corrosion starting.

Contact Lovair technical team for more detailed stainless steel care guidelines.

# Warranty

---

As thought-leaders and pioneers in washroom style and technology, we continuously strive for the ultimate washroom experience. Our curiosity drives us to refine and innovate, to realise the potential of, and constantly challenge, what washrooms can be.

We are passionate about what we do and proud of what we have achieved and through collaboration with architects and building owners, and by being attentive to users’ needs, we transform washroom experiences.

Demonstrating our commitment to quality and our belief in the strength of our designs, we can offer the following warranties.

Lovair Ltd will warrant that its products will be free of manufacturing and material defects during normal use and environmental conditions as detailed below:

| Waste bins | 1 year |
|------------|--------|
|------------|--------|

If a defect is found in normal use, Lovair Ltd. will, at their discretion, repair, provide a replacement part or product, or make appropriate adjustments. Damage caused by accident, misuse, or abuse is not covered by this warranty. Improper care and cleaning will void the warranty.

Non-operation of the product due to environmental conditions beyond our control, installation error, incorrect maintenance, water quality, fair wear and tear, incorrect or inappropriate installation, misuse and abuse is not covered by the warranty.

Proof of purchase (original sales receipt) must be provided to Lovair Ltd. with all warranty claims. The above warranty is valid for goods supplied within the United Kingdom.

For goods supplied outside of the United Kingdom, Lovair Ltd will honour the above stated warranty periods for the parts only.

LOVAIR LTD DISCLAIM ANY LIABILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.
